

Isaac Samuel

CYBERSECURITY • MANAGEMENT INFORMATION SYSTEMS • IT SUPPORT

Euless, Texas

(214) 970-6487

isaac21samuel@gmail.com

PROFESSIONAL PROFILE

Cybersecurity and Management Information Systems student with practical experience in technical support, computer maintenance, network traffic analysis, AV operations, customer service, and business systems. Brings a service-focused approach, developing technical foundation, and strong attention to detail for future roles in cybersecurity, IT support, systems administration, business technology, or MIS.

PROFESSIONAL EXPERIENCE

Online Shopper / Online Fulfillment Associate | Walmart Neighborhood Market, 4904 Colleyville Blvd., Colleyville, TX 76034

October 2025–Present

- Accurately pick, prepare, pack, and stage customer online orders while meeting speed, quality, safety, and fulfillment standards.
- Assist customers with item location, questions, and loading heavy or oversized products into vehicles when needed.
- Use Walmart systems and handheld devices to track orders, verify product locations, update inventory information, and support daily fulfillment goals.
- Maintain organized work areas and collaborate with team members to provide an efficient, positive customer experience.

Media Coordinator, AV Team | Believers Bible Chapel, 2116 Old Denton Rd., Carrollton, TX 75006

February 2024–Present

- Plan, set up, test, operate, and troubleshoot audio-visual systems for church services and special events.
- Manage live audio mixing, microphone setup, and coordinated audio/video equipment to support reliable sound and media presentation.
- Operate presentation software for music lyrics, sermon slides, announcements, and other visual content.
- Provide technical support for computers and AV equipment; assist with hardware/software troubleshooting, setup, teardown, and team coordination.

Vacation Bible School Staff | Believers Bible Chapel, 2116 Old Denton Rd., Carrollton, TX 75006

June 2022–Present

- Assist teachers and students and support organized program activities for Vacation Bible School.

INFORMATION TECHNOLOGY & CYBERSECURITY EXPERIENCE

Computer Maintenance / Management | Believers Bible Chapel, 2116 Old Denton Rd., Carrollton, TX 75006

Ongoing

- Manage and maintain computers to support smooth and secure system operations, including full antivirus scans and removal of unnecessary files.

Computer Maintenance / Management | Personal, Family, and Friends

Ongoing

- Maintain computers by running antivirus scans, removing junk files, and helping users find solutions for viruses, malware, and performance concerns.

Computer Consultant & Help Desk | Family, Friends, and Community

Ongoing

- Help users troubleshoot technical issues and identify computer components that match their needs, compatibility requirements, and price range.

Computer Networking | Personal / Academic Practice

Ongoing

- Perform packet capture and analysis using Wireshark; monitor network traffic, identify devices, and analyze TCP/IP, DNS, and HTTP protocols to understand expected behavior and potential anomalies.

PROJECT

NotaDestructiveProgram | Computer Science End-of-Year Programming Assignment

May 1–10, 2022

- Designed a non-malicious, controlled program that opened multiple Chrome tabs to demonstrate RAM overuse and browser resource stress testing; incorporated comedic buttons and did not permit intentional device damage.

COMMUNITY SERVICE

Homeless Shelter Volunteer | Believers Bible Chapel, 2116 Old Denton Rd., Carrollton, TX 75006

June 2017–July 2018

- Provided food and essential supplies to individuals experiencing homelessness.

Retirement Home Volunteer | Believers Bible Chapel, 2116 Old Denton Rd., Carrollton, TX 75006

July 2017–2019

- Participated in outreach by singing songs, sharing the Bible, and assisting residents in need.
